Fight For Sight Update

Members of the Fight For Sight committee met with representatives of the Ivey Eye Institute in order to determine which project(s) to support with the proceeds of the event. The committee made the following recommendation:

That LCLC donate \$75,000 to the Ivey Eye Institute over a five year period. These funds are to be used for the following two purposes:

* \$10,000 to be donated to purchase equipment for the Ivey Special Eye Examination (I*S.E.E.) Program which is aimed at pediatric eye care in children aged one to three years old. This \$10,000 is to be paid in one installment in the first of our five-year commitment.

* \$65,000 to be used toward the purchase of an Optical Coherence Tomography (OCT) Unit. This equipment has a total cost of \$100,000 and is used to scan the retina at the rear of the eye, before corrective treatment to macular degeneration cases.

Weekend Barbeque Fundraising Update

We would like to take advantage of the large number of shoppers at the store due to major sales events taking place at the end of November. In previous years our food sales have been much greater at this time than on a typical summer weekend. Therefore we are going to hold Barbeques on 2 weekends (Thurs-Sat) in November. These will be held on November 20-22 and November 27-29th. This will be a change from the usual days and we are also trying to increase the number of hours per day to take advantage of the dinner crowd. Lion Stu has recommended 3 shifts for each day, 10-1 (3 people), 1-4 (3 people) and 4-7 (4 people). Please see Lion Doug Riehl as soon as possible to sign up on the BBQ roster as we have many openings still to fill.

Doug has also received a quote for a good quality 10 X 15 tent to replace one that was destroyed due to bad weather this summer. A recommendation was made to purchase this tent complete with roller bag for \$1106.44
