

LAST POPLAR HILL & DISTRICT LIONS CLUB MEETING

Above: Pre-Meeting entertainment not only comes from jokes but through the media on TV!

Left: **Lion Barney Lawn** rigs up the TV to his hilarious clips from around the world. **Her Majesty** would always be amused.

WHAT IS IT?

Lion Rick Castle's "What is it?" was a timed mortar shell fuse which burned until it was all gone.

50/50 DRAW

Lion Richard Cooke's turn to win the 50/50!

LIONS TALES

If you watch an Apple store get robbed, are you an iWitness?

Online advertisement: COWS, CALVES: NEVER BRED. Also 1 gay bull for sale.

Do not trust atoms. They make up everything!

Ugh, you offer someone a sincere compliment on their mustache and suddenly she's not your friend anymore.

A recent study has found that women who carry a little extra weight live longer than the men who mention it.

A wife tells a guy to go out and get something that makes her look sexy . . . so he went out and got drunk.

PRESIDENT'S PRIDE OF PLACE

Fellow Lions:

Tonight, we welcome District Governor John Johnson to our meeting. It is always a pleasure to have him visit.

Well, another successful Trivia night. I would like to thank all who made it possible. This includes the committee and all the members who contacted donors, helped with the set-up and all the other numerous tasks involved, as well as spouses who contributed their efforts with getting donations, scoring and feeding the crowd.

Thank you to all those who donated and to the players for their support. Congratulations to Motley Crue who won for the 2nd straight year, and our second and third place winners! I hope all had fun and will be returning next year.

YOURS IN LIONISM

Many hours of preparation and arrangements set the stage for a tremendous night of fun an entertainment.
