## LIONS TALES

If you make a New Year's resolution to eat a healthy diet, and you keep it, you won't actually live a lot longer, but it will seem a lot longer.

**A New Year's resolution is something that goes in one year and out the other.**

Make your New Year's resolution is to win the lottery. That way, if you don't keep your resolution, you can at least blame someone else.

**A New Year Prayer For the Elderly:-**

**God, grant me the senility to forget the people I never liked anyway,  
The good fortune to run into the ones that I do,  
And the eyesight to tell the difference.**

A negative person sees the glass half full of water. A positive person sees the glass half full.  
A realistic person adds two shots of whiskey, two cubs of ice and says, "Cheers!"  
My new year's resolution is to be more optimistic by keeping my cup half-full with either rum, vodka, or whiskey.

**It is the time if year when it seems that your weight is perfect. It just happens that you are eleven feet too short.**

### PRESIDENT'S PRIDE OF PLACE

Fellow Lions:

Happy New Year and welcome to 2015. May it be a safe and happy year for all.

Tonight, we are hosting a visit from the Melbourne Lions. Let's give them a great Poplar Hill Lions welcome!

Visits between clubs allow us to share ideas and fellowship. We have a busy stretch ahead as we prepare for our largest fundraiser of the year, the Trivia Night on February 21st.

May it be our best ever. With all your help, I'm sure it will be.
