Zone 2 North

To date I have completed 4 of my 5 club visits and 1 Zone Advisory meeting. My next Zone Advisory meeting will be held Feb 26 at which Lion Bruce Edwards will offer his presentation on the "No Child Without" medicalert program.

The clubs have once again chosen the annual Walk for Dogs as the Zone Project for this year. This will be the 4th year and it has grown each year.

All clubs are active with their respective programs and continue to work at attracting new members. In November London Central inducted their first female member. Also Hyde Park has inducted 1 new member and will be inducting 3 additional new members on Feb 9th.

Respectfully submitted

Lion Peter Seguin

Zone Chair 2 North
