### Board Meeting Notes — December 3, 2014

The following business was conducted at London Central Lions Board Meeting on Wednesday Dec. 3, 2014  
Recom.- LCLC accept up to \$450 expenses for the December 11th Spouse's Night  
Motion—LCLC participate in a fund raising project selling rain barrels (carried)  
We are looking for suggestions for a Zone Project that would help raise awareness for area Lions Clubs.  
The club is looking for a new member to take over the Easter Bunny fundraising event for 2015. The LCBO where we have been selling the bunnies in the past has new rules that prohibits us from selling product at the stores. We are looking for alternative sites to sell our chocolate for next year.

### Fight For Sight Update

A coordinator has been hired for the I\*See project and starts December 5th. The Vision Screener is being delivered from Germany.

Brian and Jim B. attended a 4-hour meeting at the Ivey Institute on Dec. 5th to get a hands-on demonstration on the vision scanners to be used in the I\*SEE project, which we are supporting.

Fundraising Meeting: will be held on December 9 at 7 p.m. at 790 Wonderland Road (at Viscount) in the community room in the basement.

### 2014 December Edition

#### Holiday Humour

People are so worried about what they eat between Christmas and the New Year, but they really should be worried about what they eat between the New Year and Christmas.

The main reason that Santa is so jolly is because he knows where all the bad girls live.

#### London Central Lions Barbecue

The fundraising barbecues in November went very well and raised more money per weekend than our summer weekends. Thanks to all of the volunteers (and there were a lot of them) who braved the cold to make these two weekends a big success. The new tent worked very well and we are looking forward to getting the club name printed on the tent to help promote the London Central Lions.
