

We Serve

Our membership is holding steady in our zone.

The 2nd zone meeting was held on January 22, 2009 at the Harrow Colchester South Lions Club. There were 40 in attendance. It was a great zone meeting. PDG Lion Jacqui Tofflemire-Flood did an excellent job hosting the work shop. I believe all of us learned a great deal. In fact, I saw on many of the faces of the members in our zone the willingness and the desire to create growth in their individual clubs.

At the zone meeting, cheques were presented for Dimes for Diabetes in the amount of \$1,950.00. The Tecumseh Lions Club ran a bingo and donated all profits (\$1,200.00) from that bingo. Thank you Tecumseh Lions. In addition, Lion Marty Kern from the Harrow Colchester South Lions Club and Lion Tom from the Windsor-Downtown Lions Club donated on behalf of their employer, Cypher Systems Group, \$750.00. Their place of employment donates funds each year to charities, through fundraisers. This is a prime example of two Lions from different clubs working together to donate to a zone project. I think this is fantastic and a great role model for all Lions. The total raised thus far for Dimes for diabetes is \$2,000.00 and we are not finished yet. We took pictures at the zone meeting and these pictures will be e mailed to AM 800 hopefully to be posted on their website. You will also be able to view these photos on the HCS Lions website. I will also be sending copies to the District to be posted on the website.

Our next zone meeting is March 19, 2009.
