Zone 24w report
Lion Bob Tanner

Governor Don
District A1 lions

To date I have completed 2 of my 5 club visits, Petrolia and /Wyoming. I have held 2 zone advisory meetings. since our last cabinet meeting

We in zone 24W have approved 2 fundraising events.

- 1) Our annual Lawn tractor draw featuring 2 tractors and a large assortment of around the house items, i.e. generators, lawn mowers, trimmers leaf blowers, cordless power tools. The proceeds to Diabetes, we donated \$7457 last year.
- 2) A committee has been formed to organize a Fundraising Jamboree with all proceeds to benefit the "Pat Malioux Eye Centre, our new eye surgery clinic.

At our zone advisory meeting we have had a speaker to inform us on different ways to Tail twist and increase the "fun". We did get a large laugh at Governor Don's expense. Our second speaker spoke to us about the basics of promoting our clubs and projects.

All five clubs in 24W are extremely active and have completed many fundraising projects and made many incredible contribution to there communities.

On January 3rd Lion Joe Goertz from Sarnia Twp. Lions club passed away, please remember Lion Joe and his family in your prays.

Respectfully Submitted
Lion Bob Tanner
