# ZONE 6 NEWS

VOLUME 1, ISSUE 2

NOVEMBER 1ST, 2013

## FIRST ZONE 6 ADVISORY HELD IN PETROLIA,

I was pleased with the first Zone Advisory Meeting. It was well attended, and Club reports were concise and yet complete.

Presentations by Governor Bob Tanner, 1st VP John Johnston, PDG Bill Sasse and GMT Chair George Croft were all excellent added information.

The Petrolia Club were excellent hosts. They kept their meeting short, provided an excellent meal and were very hospitable. Thanks to President Gail and her Club.

A special Thanks to Secretary Marlene for acting as my secretary, taking great notes during the meeting.

## NEXT ZONE ADVISORY GLENCOE, FEB. 3RD TO INCLUDE:

**Dining**  
in the **Dark**

Based on a restaurant concept popularized in Paris and New York, Dining in the Dark is a CNIB signature event where diners experience a meal without the benefit of sight. Participants eat while wearing blindfolds for a unique sensory ex-

perience in which they can explore textures, flavours and aromas in a whole new way.

I am very pleased that Glencoe has offered to host this special evening.

I will be asking early for a head count, so they can prepare.

Mark the date on your calendar, and plan to attend.

As outlined I would also like to see a "Parade of Cheques" for CNIB that evening.

Z.C. Don

Doors open at 6:00 PM, Games start at  
7:00 PM Everyone 19 and over are Wel-  
come to come and play Meat Bingo.**

## Zone Chairs and Lions Family

**It is the DREAM of Gov. Bob Tanner to breathe life back into the relationship between District A1 and the Canadian National Institute for the Blind (CNIB).**

**One way we can make this happen is with each Zone participating in a Toll Road. This amazing fund raising opportunity will happen May 3 2014, between 9 a.m. -11 a.m. , this date to be set aside so we recognize those less fortunate living with blindness or partially sighted. Lions accepted the challenge from Helen Keller to be “Knights of the Blind”, this is one way to help not only our Gov. Bob but Ryan Chin, (manager of Community Giving) in support of Lions Low Vision Clinics and CNIB Lake Joseph Centre. For example: 1: Belle River, 2: Leamington # 17. 3: Port Stanley # 4, 4: Delaware # 2, 5: Ilderton # 20/16, 6: Wyoming or Petrolia.**

**I have talked to the OPP in our area and they have said we need permission from the municipality, (they may want OPP present)**

**I know that our Zone Chairs are busy and I would ask that Club Presidents step forward and help make Gov. Bob's dream come true.**

**Please send your feedback to [lionjohn@bell.net](mailto:lionjohn@bell.net) A report will be given at our next District meeting Nov. 17, 2013.**

**PDG Lion John Ross**

***Presidents:***

***Please let me know if you are taking this on, in your area.***

## Mount Brydges Lions Club Ontario - Canada

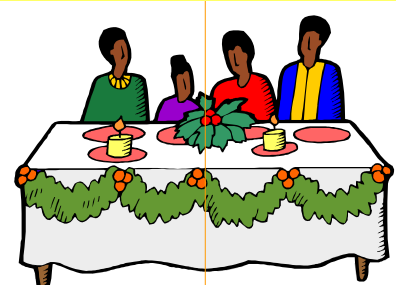

The Mt. Brydges Lions Club is spearheading a splash pad project for the community. The official fundraising board is now on display in front of the playground near the cenotaph. On hand to announce the project on Thursday, May 9 were (left to right) Lions President Ron Madill, Strathroy-Caradoc Mayor Joanne Vanderheyden, and splash pad committee chairman Tony Bruinink.
